

Some questions to consider

- How many guests at your event will be consuming alcoholic beverages?
- How long would you like the bar open (4 hours is standard for most weddings)?
- Would you prefer glassware or disposable?
- How many bars would you need and how long would you want each bar open?
- Are you wanting to serve beer, wine, champagne only or a full-bar with spirits?
- How much alcohol do you need (average is 3 drinks per guest)?
- If you have multiple bars, how would you like the alcohol / kegs split between each bar?
