# F.A.Q

## CAN I MAKE CHANGES TO MY PROPOSAL?

100%! Our coordinators are happy to make adjustments to your proposal in order to create your ultimate vision.

## HOW DO I SCHEDULE A FOOD TASTING?

Tastings can be scheduled once you have a proposal in place with your coordinator. After a proposal has been created, your coordinator will send you a link where you can review the available dates/times that work with your schedule. Each tasting lasts about one hour, where you will enjoy a spread of your à la carte selections in one of our private tasting rooms.

## CAN YOU ACCOMMODATE DIETARY RESTRICTIONS?

We are more than happy to alter your menu selections to accommodate any dietary restrictions!

We can also substitute à la carte entrees for your guests with dietary restrictions.

## CAN WE PROVIDE OUR OWN DESSERT?

Absolutely! We're happy to refer some of our favorite bakeries if you'd like.

## IS STAFFING BUILT INTO THE MENU PACKAGE?

Staffing is not included in the menu package pricing, but it is an essential part of our full-service experience and is billed hourly. Our team provides dedicated event management, attentive service, bussing, and professional passing of appetizers to ensure your event runs seamlessly and feels beautifully hosted.

## WHY IS THE TOTAL PRICE FOR A PLATED/FAMILY STYLE EVENT HIGHER THAN A BUFFET?

The price difference for plated/family style service is a result of additional staffing required to execute these styles of service. Additional staffing is necessary for timely food delivery, setup and management of the event, and includes the onsite chefs preparing and plating each dish. Our goal, to maintain our standard of service, is to have one event staff for every 17 guests, and a minimum of three chefs on site depending upon the size of your event. Buffet services do not require additional staffing or labor beyond our normal levels and therefore, are lower in price.

## WHAT'S THE ADMIN FEE?

The 23% Admin Fee (sometimes referred to as Service Charge or Production Fee) is an industry standard, which covers typical costs of "producing" every event, including the planning, organizing and scheduling necessary. ACT 3 Catering owns and maintains equipment, vehicles, décor, and various service items needed to execute all of our events. These costs cannot all be absorbed solely in food and beverage pricing. Our Admin Fee covers these necessities as well as the standard overhead expenses.

## WHAT'S YOUR BOOKING PROCESS?

To hold your date with ACT 3 Catering, we require a \$1,000 *non-refundable deposit* and a signed staffed event contract.

## WHAT IS THE AVERAGE COST OF WEDDING CATERING?

There are a lot of variables that will dictate the cost of catering such as number of guests, service style, and bar packages. For ACT 3 Catering weddings with 100 guests, the average cost of catering ranges between \$12k to \$15k.
